

The following Digital, Silver, Gold and Platinum packages are a guide to help couples budget for different lengths of wedding coverage, albums and other options. With all assignments you keep the high resolution digital images at no extra cost on a CD.

There are 3 price bands per package to reflect the difference in demand from summer weekends to winter week days. Mid and off season weddings are discounted to reflect the lower demand for these dates in line with other suppliers.

Mid Season is Friday to Sunday from October to March or Monday to Thursday from April to September
